My Workspace: Message Of The Day

Options

Welcome to the Unisa MOOC space. This is a pilot project. On this site you will find various MOOCs that you can enrol for free.

My Workspace: My Workspace Information Display

Welcome to your personal workspace.

In Sakai each user has his or her own individual worksite called My Workspace. My Workspace is a place where you can keep personal documents, create new sites, maintain a schedule, store resources, and much more.

The default information displayed here for a new user can be modified by the Sakai Administrator by editing the file sakai.properties confi value "myworkspace.info.uri" to point to the html file desired.

Click "JOINABLE SITES"

You will then have a list of MOOCs that you can join.

EXAMPLE: Find the **MOOC Academic Writing 101** and click "JOIN"
