Innovate and Inspire Future Minds Bootcamp Class!

Unleash your potential for the future!

Ready to Build the Skills of Tomorrow?

Are you in **Grades 8–12** and ready to prepare for the future? Join us for **Future Minds Bootcamp Class**, where you'll explore the exciting world of **Mathematics, Science, Economics, Life Sciences, Artificial Intelligence (AI), and emerging technologies** through engaging, practical learning experiences.

☀ Why You Should Join

This is more than just another online class—it's your opportunity to gain future-ready skills with guidance from leading Unisa experts.

What You'll Experience

- ✓ Live interactive sessions with Unisa specialists and industry experts
- ✓ AI tools and digital skills to help you study smarter and achieve better results
- ✓ Grade-specific tutoring in Mathematics, Science, Economics, and Life Sciences
- ✓ Hands-on activities, exciting challenges, and competitions
- ✓ **NEW this Saturday:** Content for all grades not yet available online
- ✓ The chance to connect with learners from across South Africa who are passionate about innovation and learning

Invite your classmates, represent your school, and show what South Africa's future innovators can achieve.

Register. Attend. Learn. Innovate.
